

THE WAY OF THE CROSS

These beautiful bas-reliefs, illustrating incidents in our Lord's Passion on the Road to Calvary, are cast in very hard plaster from original wood carvings and are decorated in black, red and gold. The frames are of oak, fumed and waxed with incised lettering of Roman type: the outside measurements of the frame are 1ft. 11in. \times 2ft. 5in.

Price £4 : 10 :— each

Although there are fourteen in the complete set, ten only can be obtained if desired, and they can be purchased singly, as money becomes available for the purpose. If given as individual memorials, inscriptions can be carved on the frames at small extra cost.
